

# GETTING AFLOAT ON THE BAY

**GOAL:** Get Residents Comfortable Floating **HOW?** By Encouraging Maritime Access & Activities

- A** New Ferry Terminals
- B** Shipyard Facilities
- C** Free Floating Pool
- D** Public Docks & Floats
- E** Shoal Draft Water Taxi
- F** Kayak Storage & Launch
- G** Swale Floating Food Barge
- H** Floating Theater
- I** Floating Homes (land or bay)
- J** Bay Stations for Visits

“If there are floods, it’s expected that many people will move to higher ground. But the alternative is to stay close to coastal cities and explore expansion onto the water.”

Jamaica Bay is an incredible asset that is underutilized. It should be celebrated, learned from, and protected.
